On the Head of a Pin

Josh made a vow after his sister Angela's near-drowning: if God will keep her alive, he will become a priest. But Josh's promise is blown to smithereens the moment his friend Andy picks up a rifle at the end of a drinking party. How can Josh protect her when he is wracked with guilt?

This first novel explores the aftermath of a teen suicide in the words of the dead girl's best friend. It seems that everyone, even her own parents, believes that Zoe helped her best friend, Aimee, commit suicide. Zoe is paralyzed by loneliness, guilt, and anger at everyone's suppression of the truth.
