

## 300-01 Borrowing

### **Library Accounts**

A current Monroe County Library account in good standing (see Fines and Loan Period below) is required to borrow materials and access electronic resources and services. Any resident of Monroe County may obtain a library account. A completed library account application with a photo ID and proof of current residence is required to obtain a library account. If a photo ID cannot be produced, the Circulation Supervisor can work with the patron to verify identity.

The signature of a parent or guardian is required on a library account application for children 12 years old or younger. The signature of the parent or guardian acknowledges financial responsibility for materials borrowed. The parent or guardian also assumes responsibility for deciding appropriate use of library print and electronic resources for their child. Information pertaining to library materials will be given to a parent or guardian when presenting the child's library card.

### **Smartphones in Place of Library Cards**

To accommodate advancing technology, smartphone keychain apps or the MCLS catalog interface will be accepted in lieu of traditional library cards.

### **Organizational Cards**

Organizations within Perinton may request a library card. The library card will be issued at the written request of the director of the organization. The written request must include the names of authorized users. The card will be kept on file at the library. Organizational cards are renewed annually by written request. The written request signifies the organization's acknowledgement of financial responsibility for materials borrowed.

### **Out of County Borrowers**

Patrons residing outside of Monroe County are required to complete an "Out of County" application and provide acceptable identification. Library accounts for out of county borrowers are available for a \$25 annual fee. A patron who rents or owns property in Monroe County but resides outside of Monroe County may show a current tax bill or lease agreement as proof.

### **Borrower's Responsibilities**

Patrons need to report a lost or a stolen card/key tag or a change of address, immediately. Materials charged out to an unreported lost or stolen card are the responsibility of the borrower. Patrons are responsible for all materials borrowed on their library account. All materials may be borrowed free of charge. Materials should be returned before the library closes on the date that they are due. Library accounts are renewed automatically annually, if the account is in good standing (see below) and has been used in the last year, in-person or online.

### **Fines and Loan Periods**

Materials returned or renewed after the due date are considered overdue. Fines stop accruing when the item is returned, or the maximum fine is reached. If fines or charges exceed \$20.00, the account is no

longer in “good standing,” and borrowing privileges are suspended until the amount is reduced. If a borrower owes \$35.00 or more, the account will be referred to a collection agency.
